Only DESTINY GUARDIANS are MUSTERED INTO THE PRIMARY OR MORTAL CORPS OF THE FINALITY, and such pairs have engaged in the supreme adventure of IDENTITY AT-ONENESS; the two beings have achieved SPIRITUAL BI-UNIFICATION ON SERAPHINGTON prior to their reception into the finaliter corps. In this experience the two angelic natures, so complemental in all universe functions, achieve ultimate SPIRIT TWO-IN-ONENESS, repercuassing in a new capacity for the reception of, and FUSION WITH, A NON-ADJUSTER FRAGMENT of the Paradise Father. And so do some of your loving seraphic associates in time also become your finaliter associates in eternity, children of the Supreme and perfected sons of the Paradise Father.

IDENTITY AT-ONENESS/SPIRIT TWO-IN-ONENESS is similar to the creation of "**CREATURE TRINITIZED SONS OF GOD**" whereby two beings achieve **SPIRITUAL BI-UNIFICATION**, "the experience of the supreme creative performance of perfect and perfected spiritual beings -- the act of **TRINITIZATION**". **PARADISE-HAVONA PERSONALITIES** and **CERTAIN MEMBERS OF EACH OF THE FINALITER CORPS** engage in "**TRINITIZATION**". Under specialized conditions of Paradise perfection, these superb beings may embark upon the unique adventure of **CONCEPT-IDENTITY**, and they are many times successful in the production of a new being, a **CREATURE-TRINITIZED SON**. The ascendant **ADJUSTER-FUSED MORTAL FINALITERS** who have attained certain levels of Paradise culture and spiritual development are among those who can attempt to **TRINITIZE** a **NEW CREATURE BEING**.

When a new and original being is **TRINITIZED** by the divine persons of Deity (Father Son and Spirit), the divine parents are in deity potential unchanged. A **CREATOR PARADISE SON OF THE ORDER OF MICHAEL** takes origin through a joint action of the Universal Father and the Eternal Son. He **PERSONALIZES** from "the perfect union of the perfect **CONCEPTS** of the two infinite and eternal and perfect minds" of the Universal Father and the Eternal Son." [UB 21:1:2 (235:1)]

But when exalted **CREATURE BEINGS** enact such a creative episode, the contracting and participating individuals undergo a unique **PERSONALITY** modification. The two ancestors of a **CREATURE-TRINITIZED SON** become in a certain sense spiritually as one. Simultaneously with the appearance of a new **CREATURE-TRINITIZED SON**, there occurs this functional spiritual union of the two ancestors; **THE TWO TRINITIZING PARENTS BECOME ONE ON THE ULTIMATE FUNCTIONAL LEVEL**. While these

parents of **CREATURE-TRINITIZED SONS** become as one in their universe assignments, they **CONTINUE TO BE RECKONED AS TWO PERSONALITIES** in the make-up and roll calls of the **CORPS OF THE FINALITY** and of the **ARCHITECTS OF THE MASTER UNIVERSE**.

Crudely speaking, the act of **TRINITIZATION** is a supreme unifying “marriage” of **TWO PERSONALITY BEINGS OF PERFECTION** with the automatic springing forth of a new **“TRINITIZED”** child of **SUPREME CONCEPT-IDENTITY**. The act of **TRINITIZATION** is the supreme creative performance of perfect and perfected spiritual beings whereby pairings of **PARADISE-HAVONA PERSONALITIES** and **CERTAIN MEMBERS OF EACH OF THE FINALITER CORPS** embark upon the unique adventure of **CONCEPT-IDENTITY**, and this transaction results in the production of a new being, a **CREATURE-TRINITIZED SON**.

*I [Mighty Messenger] cannot fully unfold to the material mind the experience of the supreme creative performance of perfect and perfected spiritual beings—the act of **TRINITIZATION**. The techniques of **TRINITIZATION** are among the secrets of Vicegerington and Solitarington and are revealable to, and understandable by, none save those who have passed through these unique experiences.... When a **PARADISE-HAVONER CITIZEN** consents to such a "marriage", I might surmise that there is no opening to disappointment. IF SUCH A CHILD OF BORN PERFECTION CONSENTS TO UNIFYING WITH ONE OF US, then I would presume such a choice is pretty much perfect, IMPERVIOUS TO DISAPPOINTMENT.*

[UB 22:7:1]

The administrators of the seven superuniverses comprise both **TRINITY-ORIGIN PERSONALITIES** and **TRINITY-EMBRACED ASCENDANT EVOLUTIONARY CREATURES**. Celestial beings who take their origin from within the Trinity (**TRINITY-ORIGIN BEINGS**) are perfect representatives of the attitude of the Trinity. One such order of Trinity-origin being, the **DIVINE COUNSELORS**, are the perfection of **THE DIVINE COUNSEL OF THE PARADISE TRINITY**. They often incorporate the experiential counsel of their associates, “the perfected and **TRINITY-EMBRACED BEINGS** of evolutionary ascent.” [UB 19:3:6] Their associated and united counsel and conclusions are complete and replete, and when supported by a **UNIVERSAL CENSOR** (another being of **TRINITY ORIGIN**), their verdicts “represent the nearest possible approach to the absolute attitude of Deity within the time-space limits of the situation involved and the problem concerned.”

“Simultaneously with the appearance of a new creature-trinitized son, there occurs this functional spiritual union of the two ancestors; the two trinitizing parents become one on the ultimate functional level. No created being in the universe can fully explain this amazing phenomenon; it is a near-divine experience.”

[UB 22:7:8 (250:2)]

“While these parents of creature-trinitized sons become as one in their universe assignments, they continue to be reckoned as two personalities in the make-up and roll calls of the Corps of the Finality and of the Architects of the Master Universe.

During the current universe age, all trinitization-united parents are inseparable in assignment and function; where one goes the other goes, what one does the other does.” [UB 22:7:9 (250:3)]

All **TRINITIZED SONS OF GOD** have undergone the unique experience of **TRINITIZATION** as either a part of their origin (**TRINITY-ORIGIN BEINGS**) or as an experience of **TRINITY EMBRACE**. **TRINITY-EMBRACED SONS** are “forever devoted to Trinity service and assignment” and “embraces seven orders of **PERSONALITIES**.” [UB 22:1:1-8] These **TRINITIZED SONS OF ATTAINMENT** “have been **TRINITIZED** in the divine embrace of the Paradise Deities. Consequently they function as the co-ordinate associates of the **STATIONARY SONS OF THE TRINITY**.” [UB 22:4:4]

All **TRINITY-EMBRACED SONS** are originally of **DUAL OR SINGLE ORIGIN**, but subsequent to the Trinity embrace they are **FOREVER DEVOTED TO TRINITY SERVICE AND ASSIGNMENT**. This corps, as revealed and as organized for superuniverse service, embraces **SEVEN ORDERS OF PERSONALITIES**:

1. **MIGHTY MESSENGERS** - Rebellion tested of proven universe allegiance.
2. **THOSE HIGH IN AUTHORITY** - Superior administrative ability, executive genius.
3. **THOSE WITHOUT NAME AND NUMBER** - Skilled ability to worship.
4. **TRINITIZED CUSTODIANS** - Ascendant seraphim and translated midway creatures.
5. **TRINITIZED AMBASSADORS** - Spirit- and Son-Fused mortals of superior minds.
6. **CELESTIAL GUARDIANS** - Creature-trinitized Sons having served with Trinity Teacher Sons
7. **HIGH SON ASSISTANTS** - Retrinitized trinitized Sons and associated Paradise Havona personalities.

 **TRINITIZED SONS OF ATTAINMENT**
(Father-fused mortal ascenders)

 **TRINITIZED SONS OF SELECTION**

 **TRINITIZED SONS OF PERFECTION**

*These seven groups of personalities are further classified, according to origin, nature, and function, into three major divisions: the **TRINITIZED SONS OF ATTAINMENT**, the **TRINITIZED SONS OF SELECTION**, and the **TRINITIZED SONS OF PERFECTION**.* [UB 22:1:1-9]

MIGHTY MESSENGERS comprise the ascendant group of perfected mortals who have been rebellion tested or have passed through some demonstration of universe allegiance and personal loyalty and have thusly been trinitized in the secret **EMBRACE** of the Paradise Trinity. **THOSE HIGH IN AUTHORITY** “are the perfected mortals who have exhibited superior administrative ability and have shown extraordinary executive genius throughout their long ascending careers.” [UB 22:3:1] **THOSE WITHOUT NAME AND NUMBER** “are the ascendant souls who have developed the ability to worship beyond the skill of all the sons and daughters of the evolutionary races from the worlds of time and space.” [UB 22:4:1]

When **ASCENDANT SERAPHIM AND MIDWAYERS** have passed through Havona and are subsequently **EMBRACED** by the **TRINITY**, they henceforth become **TRINITIZED CUSTODIANS** and are assigned to the service of the Ancients of Days. And when ascendant mortals of **SON- OR SPIRIT-FUSED** nature are **EMBRACED** by the **TRINITY**, they become **TRINITIZED AMABASSADORS** and are also assigned to the service of the Ancients of Days. **CREATURE-TRINITIZED SONS** (**TRINITIZED** children of the union of perfect **HAVONA-PARADISE CITIZENS** and **PERFECTED ASCENDANT BEINGS**), each representing a new “**TRINITIZED**” child of **SUPREME CONCEPT-IDENTITY**) may undergo a **SECOND ACT OF TRINITIZATION**, a **TRINITY EMBRACE**. These **TWICE-TRINITIZED SONS** owe their original existence to the fact that they are “the personification of a single and supreme concept.... the personality embodiment of some divine idea, some **UNIVERSAL IDEAL** as it has never before been conceived, expressed, or trinitized.” [UB 22:10:2] Their subsequent **TRINITY EMBRACE** highlights the very wisdom of the divine Trinity: “As far as that particular **CONCEPT** is revealable to the universes, these personalities embody all of everything that any creature or Creator intelligence could possibly conceive, express, or exemplify. *They are that idea personified.*” [UB 22:10:2]

All seven orders of **TRINITY-EMBRACED SONS** are assigned to each of the seven superuniverses. These ascendant and embraced beings have made their way through Havona, have attained Paradise, and have **ACHIEVED ADMITTANCE TO THE CORPS OF THE FINALITY**. Once **EMBRACE** by the Paradise Trinity is finalized, they are assigned to the service of the Ancients of Days. There has never been a recorded default by any of these orders, though they may still incur errors of judgment. These **TRINITIZED SONS OF ATTAINMENT** have, at least for **THE PRESENT UNIVERSE AGE**, attained their **DESTINY**. “These **TRINITIZED SONS OF SELECTION** or of **ATTAINMENT** at least for now are finished creatures, in contrast to the finaliters, who are at present unfinished creatures.” [UB 22:10:12]

QUESTIONS TO PONDER:

- Have you ever considered whether your evolving ascendancy path and destiny might lead towards a two-in-oneness act of creature-trinitization with another celestial personality of perfection?
- With the appearance of a new “creature-trinitized son”, what would you speculate how you and your co-creative partner’s relationship might be expressed while still in the present universe age of time-space Supremacy?

You mortals who read this message may yourselves ascend to Paradise, attain the Trinity embrace, and in remote future ages be attached to the service of the Ancients of Days in one of the seven superuniverses, and sometime be assigned to enlarge the revelation of truth to some evolving inhabited planet, even as I am now functioning on Urantia.
